

2025 Income Disclosure Statement

The MWR Life Compensation Plan is an exciting opportunity that rewards you for selling a world-class travel membership and for earning customer commissions by sponsoring other Lifestyle Ambassadors who do the same. Individual results will vary depending on each Lifestyle Ambassador's effort, commitment level, and skillset.

The average earnings shown in the following chart are rounded to the nearest percentage, and are based on Lifestyle Ambassadors who have earned at least one commission payment within the last 60 days. This definition is used to highlight individuals who are actively engaged in the business.

Not all Lifestyle Ambassadors earn income. Earnings are not guaranteed and depend on many factors, including effort, leadership ability, and time invested. Past performance does not guarantee future results.
